

easochairs

Plot # 35, Sector 23
Korangi Industrial Area
Karachi, Sindh 74900
Pakistan

Â Our chairs are ergonomically designed and have been introduced in the market after a lot of research & development. The main feature of our chairs is the streamlined design which guarantees an unlimited amount of comfort as the modern day work is tiring because of the long working hours whereby a lot of stress is witnessed in the productivity of employees. The chair one sits for long working hours plays a very important role of the productivity of that particular person.
