Karachi, Sindh
Pakistan

Phone: +92-21-206-2635

Fax: +92-21-582-4626

Chun Su Minerals deals in various kinds of salts, including Sea Salt, Lake Salt, and Rock Salt. Using Korean technology, we collect various raw forms of salt from salt mines, sea water (using PVC-floored solar evaporation ponds), and salt lakes. The raw salt is then processed and refined to produce different classes of salt products.
