AWK Commodities is part of 'THE WALI KHAN GROUP'. We are growers, processors and exporters of all kinds of premium quality rice and other grains. Our history goes down 38 years in farming, this give us an edge on producing high quality premium grains following extensive procedures to help maintain quality and standards.

Having lands in the southern part of Pakistan (Sindh) which comprise of agriculture land plus mango and guava orchards. Apart from this we are always open to new developments and experiments, hence we follow the modern farming methods to operate in the fullest of capacity.
