AlMubdi was the thought of two young College boys Mr.Muhammad Danish Khan and Mr.Abdul Ahad since 1999 as a Designing agency that had its sights squarely set on providing outstanding creative work and service to big-name corporate clients. It was founded by the efforts of Mr.Muhammad Danish Khan, Mr.Abdul Ahad and Mr.Imran Javed in the year 2000. Some 8 years later Mr.Danish Khan is still with AlMubdi in the role of Creative Directory and Mr.Imran Javed as Director Operation (Products and Planning). Now AlMubdi has grown to a dynamic team. Our clientele extend throughout Pakistan and most of our corporate clients have been with us for years.
