We are the professional manufacturers of musical instruments in pakistan. We are in the field of manufacturing since 1970. At such time we manufacture and export Highland Bagpipes, Pipe chanter, Practic chanter, Brain Boru Pipe and practic chanters, Irish Drum, Tambourines, Flutes, and Brass wind instruments. Currently we are supplying our products to scottish, irish and international well known companies under their brand names. All of them quite satisfy with our products quality and holding strong foot hold in international market. If you need more information about our products please feel free to contact us. Your enquiry will be highlyly appriciated.
