Sialko Pak Sports is a leading manufacturer in all sorts of Leather Gloves established in 1983. It has been improving and innovating its products range and new models selection to meet entire satisfaction of valuable clients by unbeatable services and policies. Sialko Pak Sports started its activity with the production of leather gloves, anticipating and setting an extensive range of gloves. Since its establishment, we set a gradual conversion of our glove-factory in order to become a leading player of leather gloves industry with a sound financial base.
