Manufacturer and Exporter of Natural Herbal Pharmaceutical, Cosmeceutical and Neutraceutical Products. We credit our success to our innovation, integrity, and commitment to developing important products. At BIOZONE, we scientifically design and customize Health Care products based on the unique individual needs of our prospective client-partners. New products and formulas are researched and tested prior to full-scale production. Established Offices in Almaty, Kazakhstan and Karachi, Pakistan, Biozone is planning and thriving to develop and establish itself as a multinational company, thus it specially focuses on business development and diversity. The Company's primary divisions of manufacturing facilities are at France, Poland and Pakistan.
