Fax: +92-52-3540058

ARSA ENTERPRISES uses only premium-grade, surgical stainless steel in the manufacture of all our Surgical, Dental Eye and Beauty Care instruments. ARSA is ISO 9001, FDA and CE marking certified. The winning formula of a devoted workforce, modernization, and a strict Quality Control standard is rigorously advanced at ARSA. The Name Brand companies purchases direct from Pakistan, so why canand#39;t you? After all, there is no need for you to absorb the cost of their distribution network. Now, at ARSA, you can buy your instruments Factory Direct and keep the savings in your pocket. FedEx transit time from the ARSA factory to your practice in the USA is only 4 days. Global business transactions are not beyond your reach. Arsa craftsmen excel in custom instrument design. If you require a custom instrument ARSA can make it!
