For nearly 30 years Design and Depth Furniture has been a recognized leader in the exquisite design and masterful creation of the worlds finest traditional, transitional, and contemporary custom furniture. Even in this era of generic mass production, Design and Depth continues to distinguish itself through experienced hand-crafted artisanship. Using only the finest materials, each piece is carefully and skillfully executed with uncompromising technique and patient attention to subtle detail. The result is a rare, incomparable balance of elegant form, adept function, and rich substance. Design and Depth Furniture adheres to a philosophy of excellence passed down through generations of craftspeople who nurture old-world luxury and timeless quality and that workmanship remains evident throughout every phase of the production and finishing process.
