BITBRO TECHNOLOGIES always selects the finest material. According to BITBRO Technologists point of view, products made with inferior material may be cheaper initially but will cost more in the long run. The design and development BITBRO TECHNOLOGIES has its own designs for different products. For designing of these products, the company also uses Computer Aided Design (CAD) approach. Quality Control Keeping in view the nature of products, BITBRO TECHNOLOGIES has applied quality checks to ensure that only the finest quality is produced. Strict measures are taken right from the forgings to final approval. Also to ensure that the products are in tolerance limits; the working drawings are followed Yours sincerely, Muhammad Bilal Ph : 0092-52-6930276 Fax : 0092-52-6529222 Cell : 0092-332-8607792 Web site : www.bitbro.net
