Euro Gulf Industries is one of the leading Polymer Pipe and Fitting Manufacturer in Pakistan. It specializes in manufacturing PPR-C, uPVC, PE and cPVC Pipes and Fittings. Its facility is the one of its kind in Pakistan which manufactures all four types of pipes and fittings under one roof. It manufactures pipe ranging from 1/2' to 18' and also manufactures more than 150 different kinds of fittings. Its products are supply all over Pakistan. The lower diameter pipe(i.e. 1/2' to 6') is usually used and supplied to the commercial market and its higher diameter pipe (i.e 6' onwards) and PE pipes are supplied and used in government, semi government and special projects. More recently, cPVC Pipes and Fittings have been added to their product line. Euro Gulf Industries is among the only few companies in Pakistan who has in-house laboratory equipped with the latest gadgets to ensure quality to the last inch. Apart from its ISO 9001-2008 Certification its is certified by PCSIR, PSQCA and Pak En
