Cg creation was found in 2009, in an effort to create a group of Artists, Technicians and Designers, who possessed potential to top in the post production, animation and print media industry, locally and internationally. The first of its kind in Pakistan, it is known for going innovative and effective results to its clients. It has provided a wide range of post production, 3d animation, art direction, broadcast design, special effects and other related services to the local and international market. As a creative team we have a wealth of experience in design, that we'd like to share with you, and fresh new ideas to get you noticed. You will find us easy to deal with that we are flexible, full of ideas and eager to help you get results. We have developed close links with other high integrity, high quality marketing services suppliers, expert in their own fields, so not only will we come up with the bright ideas, we will implement them for you as well, saving your time and money, and ensure
