Sufiyan Associates become as one of the major import brokerage houses in Pakistan, representing chief trading companies in Australia, Canada, Turkey, Myanmar, Singapore and Egypt etc. Exports from Pakistan are growing steadily; Sufiyan Associates facilities in Karachi are being constantly upgraded to cater for the demands of its buyers. The Rice re-processing plant, which is backed by color sorters, customizes the product to suit buyers varying specifications of polish, quality and packing. One of the major benefits of Sufiyan Associates vertically integrated structure is very competitive prices, top quality timely shipment for all our processed pulses, seeds, rice and nuts etc. Our products are fit for human consumption, free from any foreign materials that by size or composition can cause danger during or after consumption, up to date according to contract specifications, tested on a regular basis and a laboratory report is available for each lot shipped out of the factory.
