PROTECTALL is a ONE-STOP supply company for all your industrial needs with emphasis on OIL and GAS, PETROCHEMICAL, POWER PROJECTS, MARINE and OFFSHORE, or ELECTRICAL and ELECTRONICS PRODUCTS. Incorporated in 2001 and with substantial understanding of customers' needs, Protectall distributes numerous products in a responsive, resourceful and truly professional manner at the fastest lead time possible. We are able to supply practically anything, specializing on Personal Protection, Fire Fighting, Industrial Engineering Spares, Rig Parts and Oil and Gas spares, to customers in Pakistan, Singapore and Saudi Arabia. Protectall offers an alternative to traditional methods of sourcing USA, Canadian, U.K. and European manufactured materials. We have representative offices in USA, UK, Germany, Singapore and UAE enabling us to respond to your enquiries usually within 24 hours. Protectall offers the same products as traditional sources, at a competitive price and fastest delivery.
