NBP Leasing Limited (NBPLL) formerly NBP Capital Limited a wholly owned National Bank of Pakistan subsidiary, is incorporated as a public limited company. Originally the Company was registered with the name of National Discounting Services Limited in November 1995 and commenced operations in March 1996. NBP Leasing Limited (NBPLL) is an active financial institution with primary focus on leasing operations to support the domestic industrial and commercial sector. The Company has wide range of financial products and services to offer its corporate and individual clients. The Company derives major strength from its strong parent institution (National Bank of Pakistan), professionally sound experienced management, cost effective solutions and excellence in customer support. Presently, NBPLL is based in Karachi and its customer base is geographically spread across the country in different sectors like textile, food, engineering, construction, technology, service, health etc.
