KalPoint.com is one of the largest web portals of Pakistan, it was launched on 23rd March-2000 to bring revolution in the lives of Pakistanis by giving them a World Class web portal of their own and e-Solutions to their problems. It is meant for Pakistanis and all its categories are being developed taking into consideration the limitations and guidelines set forth of our religion and culture. When KalPoint.com was launched it started with eight absolutely free web services, but due to huge demand for more web services, KalPoint.com now comprises of 45 different web services and now it caters people of all ages with any area of interest. Currently KalPoint.com gets more than half a million hits and more than 100,000 unique visitors daily. Most visited websites of KalPoint include: 1.<http://finance.kalpoint.com>
2.<http://smspk.kalpoint.com> 3.<http://results.kalpoint.com>
4.<http://forum.kalpoint.com> 5.<http://www.foodspk.com> For other exciting services visit us at: <http://www.kalpoint.com>
