Sales Tax Consulting is a professional sales tax audit representation and consulting firm specializing in effectively handling the sales tax needs of companies in all industries, of all sizes, throughout Karachi. Being committed to protecting companies from the often-devastating effects of non-compliance of Sales Tax laws is putting years of specialized experience to work for its clients in the following areas: ? Representing and defending taxpayers in sales tax audits at all stages of the process, in many instances at absolutely no cost to our client until we are successful in reducing the audit liability. ? Helping taxpayers deal with, and survive, the often-aggressive efforts of state tax collectors. ? Identifying, supporting, and securing refunds of sales tax with absolutely no cost to our clients until we are successful. ? Providing timely and accurate sales tax return preparation that includes a guarantee of the returnsand#39; clerical accuracy. ? Offering help to insure that
