Environment preservation is a major concern all over the world and safe disposal of waste generated by industries, Hospitals, Oil exploration Companies is a challenge. Environment Protection Agency (EPA) has already made strict laws which await implementation. Each and Every Industry/ Hospital is required to dispose off their waste material through proper Incineration. PROPER INCINERATION NOT JUST BURNING IS ACCEPTED SOLUTION FOR THE DISPOSAL OF THIS WASTE. As pioneers in the field of incineration, we provide solutions for both Solid and Liquid Waste disposal. We have provided Incinerator ???s to reputed companies in Pakistan which are meeting EPA Standards. The attached brochure will apprise you of our capabilities. Please feel free to tell us how we can help you.
