Roshni Homes Trust is a volunteer, non-political, non-sectarian and non profitable charity organization established by Founder Trustees. The Roshni Homes Trust provides residency and full modeled family care services for the children without parental care. The main purpose of this trust is better socialization and physical growth of deprived children. The core objective of all these efforts is to make these deprived children highly productive, responsible and integral members of the society through Higher Education and Character Building. Our Vision To become a role model for charities involved in child welfare nationally and internationally. Provide these organizations with a workable model which can followed and replicated for producing best results. Play vital role in the national development by making orphans and guardian less children productive and responsible members of the society who would have otherwise become terrorists and criminals.
