TEAM MESSAGE It gives us immense pleasure to introduce our company as a prospective partner of some of the best known worldwide brands. We understand that our growth directly depends on the growth of our clients. So the concept of Customer?s customer is very important for us. That?s why we are always committed to provide you the best of our product line and support to make you interact with your customers with the high pace of times. We pledge our best services and commitment to quality. Company History Aster Group was established with an aim to produce high quality sports goods. Since then, the company maintained hi-quality and complete customer satisfaction. Initially the company was engaged in production of inflatable balls like Soccer Balls, Volley Balls, Hand Balls etc only. However with the passage of time, it grew its products mix to incorporate new trends and growing requirements of the customers. Thus, the company extended its products range to Boxing Equipments, Martia
