Whether you need a one-off, custom Design Exhibition Stand or a more cost effective Modular Exhibition Stand, We can provide you with a complete end-to-end solution. We work with clients who need to achieve something more than an exhibition. We are always excited by your challenges and work hard to deliver outstanding results every time. We work with any size stands and design, develop and deliver them for you. We supply all physical aspects of organising an event including floor plan production, site visits, equipment provision and full on site support. Specific requirements include; shell scheme, electrical supply, floor coverings, poster boards, signage, lifting and shipping, furniture hire, registration and feature areas. With a wealth of experience in organising high profile conferences and meetings, we confidently deliver efficient, creative event solutions. At B2B Marketing our strength is our capacity to provide a wide range of solutions under one roof as well as our prompt
