(A big journey starts with small steps) We are in the boatbuilding field since 1985 in U.A.E., recently we had started our production in Korangi Fisheries Harbour, Karachi. Marina Sea Craft is a subsidiary of Marina Factory, Sharjah ? U.A.E. We pompously announce that we are one of the leading well known Fibreglass Boat builders in the United Arab Emirates since 1985. We build various types of boats including Speed Boats, Driving Boats, Rescue Boats, Fishing Boats, Transport, Commercial, Pleasure Boats and Landing crafts in different sizes according to the customer?s demand and requirements. All of our Boats are made of 95% Fibreglass, 4% Honey Comb, 1% Timber and guaranteed in performance, durability and are UNSINKABLE. The material we use for building our boats is of International Boat Class Material approved by LLOYDand#39;S INTERNATIONAL. Over the past 20 years, we have a proven track record of maintaining and exceeding the customer?s satisfaction level by providing our products
