

DRY ICE AVAILABLE

Karachi, Sindh
Pakistan

Phone: 923343915809

USES

1. Emergency and limited application as a sole refrigerant.
2. Pack your ice cream in dry ice.
3. Ship frozen items with dry ice to insure frozen food will remain frozen.
4. When dry ice is used for freezing, place on top of items you want frozen.
5. When dry ice is used for cooling, place in bottom of cooler with cardboard

between dry ice and product.

6. Keep dry ice wrapped in paper bag for safety and the insulation will extend the

life of the dry ice
