

Libra Printing Services

st#1, ali plaza, iqbal pura, eid-gah road.
Faisalabad, Punjab
Pakistan

Phone: 0412642733

We have contracts with some of the best Offset press, together with specialized staff ensure the high quality of our printing. A strict quality control, electronically made by means of densitometers and colourimeter, is performed during all the run, which allow us to measure density, chromatic balance and dot gain in an accurate way, assuring the same colour standard from the first to the last sheet. The cut and fold operation is done by high speed and accurate equipment.

Business Type: Manufacturer
