This is our project in Pakistan's most developed society. This is a three-star project. We offer 2 bedroom, 3 and 4 bedroom luxury apartments, including all modern living facilities, including a worldwide security system. We have 6 floors dedicated to car rental. It can park 1288 cars. There is a lake in front of it with a dancing fountain. Separate accommodation for servants. It has a rooftop swimming pool, gym, coffee shop, jogging track, sports field, community hall and all the necessities within a 5-minute drive. We also offer installment plans and offer attractive discounts or rents. For other questions, please contact my whatsapp
