AAHIL INTERNATIONAL is one of the leading manpower recruiting agency in Pakistan. We are placing all type of Skilled, semi-skilled, unskilled work forces to the International job market (Especially Gulf countries and Far East) and also arrange job placement for professionals like Doctors, Engineers, Lecturers, Teachers high grade, Technicians and management executives etc. We undertake selection process of the manpower required by the employer from our Data Bank by conducting preliminary interviews by qualified experts. Duly verifying the candidate's education, professionals, qualification, past experience and physical fitness. As a chairman of such outstanding organization, I am inspired by the energy spirit and responsibility of our team and the results and solutions. We regularly achieve for our clients whom we consider our valued partners. Because of your trust on us we will continue to seek new and innovative programs that will save your time and money. We are forward to welcome you a
