THE CLOUD SERVICES

The Cloud Services is a Property Development Company. Our aim of starting this business is to deliver affordable homes and properties for all classes of people living in Pakistan. Our key differentiation is innovation in our projects through the Energy Efficient technologies introduced by the best of the civil Engineers and Unique designs made by spending more man hours on Planning and Designing.

The Cloud Services was established by a group of Telco professionals as a Tech Company back in 2012. Later on converted to a group of companies having one division focusing on Property Development. Headquartered in The Cloud Services, Ground Floor, Cloud Mall, Commercial Plot no. 3 Markaz Block B-1 Ext, Multi-Gardens, B-17, Islamabad.
