Room No. 1,2 & 5 TYP SA building, near Civil Aviation Medical Board, Allama Iqbal

International Airport Lahore

Lahore, Punjab

Pakistan

Phone: 0308-8887446

Airborne aviation, an overseas investors venture in Pakistan, envisions providing world-class aviation training to aspiring pilots in Pakistan. Our team is dedicated to the passion to deliver our cadets with the best of our facilities. We believe in working with full devotion and we don't stop until our Pakistani Pilots are globally recognized for their glorious work.

Airborne Aviation is determined to serve the students with cutting-edge equipment and state-of-the educational facilities.

We have pledged not to rest and never stop improving even if we have achieved the best. We keep training our people and update our technology simultaneously to keep our cadets well versed with the rest of the world.
