Established by Sarim Burney, a social activist and entrepreneur, Sarim Burney Welfare Trust International is non-profitable trust representing the oppressed and less privileged population. At SBWTI, we work tirelessly to combat poverty, injustice, conflict and disaster. We stand firm alongside the vulnerable people to help them get their basic rights, improve their living conditions and stay protected from the unjust conditions. More than an organization, SBWTI is a belief that together we can work for a harmonious future, free of discrimination, injustice, and inhumanity a feeling that with every passing day we are making a difference and a make-believe attitude that by helping others, you can reinforce the long lost faith of people in humanity.
