The Swat Chamber of Commerce & Industry The Swat Chamber of Commerce and Industry was established in 2012. Being an apex body of businessmen and industrialists of this area, the swatcci is playing a positive role since its inception. The prime objective of this august institution is to stimulate the trade, business and industrial activities in the Khyber Pakhtunkhwa and in the surrounding tribal belt. The swatcci provides statistical and business database essential to the development of commercial and business activities and acts as a vital link to foster interaction between the local business community and the government.
