Badami Law Associates was established in the 1970s as an Income Tax and Sales Tax Consultancy firm. With the passage of time and with the persistent demands of our clients, the firm has broadened its horizons and expanded its activities in various fields. Our professional and skilled team is inclined to render services in Company Secretarial work, dealing with Securities and Exchange Commission of Pakistan (SECP), Corporate matters, Income Tax, Sales Tax, Accounting, Bookkeeping, and Soliciting preparation and registration of legal documents and to give legal opinions. These services are rendered with Advocates and Qualified Accountants on the panel. Besides this, the firm also gives services of auditing of final accounts from Chartered/Certified Accountants to provide system of Accounts/Financial Statements and to deliver services to streamline financial affairs of the business within the provisions of law.
