PsychCare founded by Ms. Semra Salik (PhD. Scholar) is a registered mental health clinic offering an array of services ranging from assessment, diagnosis and therapy of clinical disorders to mental health advocacy, research and publications, awareness sessions, trainings & workshops.

PsychCare is committed to the psychological health and safety of the community. Consistent with our longstanding motto of 'Creating a healthy environment for change,' we ensure providing effective treatment programs for clients seeking guidance through periods of changes and difficulties in their lives.

We provide quality therapy services to individuals, couples, and families. We also provide comprehensive testing and assessment for a wide range of issues for children, adolescents, and adults
