BGC-IGC Consortium is one of the fastest growing and most diversified business conglomerates in Pakistan, which is local in origin but global in outlook with a strong international presence in the Gulf region and North America. From real estate development to construction; education to technology; marketing to sales; food to fashion; travels to automobiles and media, BGC-IGC Consortium is redefining the culture of business in Pakistan by setting unparalleled standards of integrity, commitment, professionalism and service delivery. Blue World City, Islamabad is the flagship project of BGC-IGC Consortium.

The community lifestyle project was started with a view to providing a world-class lifestyle at affordable rates to the people of Pakistan including expat Pakistanis. The project also aims to boost tourism by establishing landmark tourist attractions including Burj Al Arab, Blue Mosque, Rumi Square, Horse Mascots (world's tallest), Water Theme Park and Night Safari & Zoo. We are driven by a passion for propelling the national economy by creating opportunities for collaborations, entrepreneurship and employment.

BGC-IGC Consortium is thriving on individual talents delivering beyond personal

expectations in an organizational culture that is intently focused on collective growth.
