No one understands your needs better than Bohunk Industries, a well known group established in 1996 by Mr. Qamar Ul Hassan Barlas, a man of vision and initiative. He choose not to join his Father's Leather Business,. However he did use hides from his father's business, at the time when leather soccer ball was really popular. Since then Bohunk Industries Synonymous with quality and has become one of the largest company of Sporting Goods. We continue the vision of the founding father while stepping into the next millennium.
Quality Service and in Time Delivery.
Bohunk Industries under expansion programmed participates in 10 exhibitions a year and is serving clients in 43 countries around the Globe.
Under development programmed us continuously working on new materials, Formulas and Designs to upgrade the performance of our merchandise.
