The School of Accounting and Finance aims to provide quality education to students in the fields of accounting and finance. Our vision is to become a leading educational institute in the field of accounting and finance and to provide high quality education to students at an affordable cost. The school provides the highest standard of coaching which is highly liked and admired by students. Students are allowed free demo classes for CFA Preparation to get a first-hand impression of the level of standard they will get in future. Students can commit themselves only after they are satisfied in the demo classes.
