C-One International (Pvt.) Limited, is registered in 2006 but we are working from 1999. We are pioneer who introduce the China Mobiles in Pakistan market. We are dealing china mobiles. We have good marketing network all over the Pakistan as well as in foreign. We have good relationships with many Chinese Mainland companies. C-One has its own offices in Shenzhen since (2007-08), China and representative in Dubai (UAE) as well. We have good and energetic team which are professional in their respective departments. We are looking good companies that we can market their products in Pakistan because we have good dealers channel. We can promote number of products.
