Bata Industrials Safety remains very important in the work place. However, today's workforce demand more from their footwear. They want extreme comfort from shoes that look good but keep them fit and healthy at work the same time. That is why at Bata Industrials we are fully focused on the wear experience and perception of the men and women who wear our shoes. Every day their wishes and needs drive our efforts in research, development and design. driving us beyond the current norms, Further in protection, further in support, further in fit and durability.
