Alsons Consolidated International (ACI) is a sister concern of a well established industrial group operating in Pakistan since 1953. The company was formed on the basis of catering the needs of the ever growing industrial activity within the oil and gas sector. Since then, activities developed from a limited number of assignments for the oil and gas marketing companies (OMCs) to large turnkey projects for the same. Alsons Consolidated International is geared to providing consulting, indenting, and maintenance Services to Oil and Gas, Aviation, Marine, Security, Defense and Communication industries.
