QUALITY SEALERS is a manufacturer of ROOFING FELTS, of Jute and Paper. The company is one of the pioneer of waterproofing industry in Pakistan. Our basic raw material is Bitumen which is an excellent sealant itself. We follow British Standards and our entire procedure of manufacturing is according to British Standards. We provide five layer and seven layer waterproofing treatment according to construction requirement. In addition to this we give waterproofing guarantee for the entire satisfaction of our clients. We have to our credit some of the known projects in Pakistan. Our materials have been used throughout Pakistan. We believe in Quality and Customer satisfaction.
