We are exporters of fine hand made carpets and rugs. We have 30 years of experience. Products include rugs from Pakistan, Afghanistan and Central Asia. All sizes and a huge variety of designs, including Chobi, Kazak and Khal Muhammad are available. We also specialise in authentic tribal rugs and very fine Kilims and Sumaks. We also manufacture Dhurries in our own exclusive designs. All our products are carefully selected for their quality. Khaniaan offers selected quality rugs for retailers who are direct importers. We also act as sourcing and buying agents for various rug stores around the world. All products come direct from the source. Contact us on info@khaniaan.com for further information.
