Fortune Securities Ltd (FSL) is an active member of the Karachi Stock Exchange providing stock-broking facilities to a diverse investor base for over a decade. FSL is a top-tier, full service broking firm that offers un-matched, research-driven, broking and advisory services to its retail and institutional clients. While adhering to strict ethical standards, we have achieved product and operational excellence through the quality of our people, the breadth and depth of our resources, and our service and product commitments.
