Timeline TV Studios Islamabad, a digital production house with a young creative feel, specializes in broadcast, corporate, and educational videos including multimedia. In the capital city Islamabad, only we have in-house 3D animation facilities and two Audio / Video recording studios. Timeline TV Studios, Islamabad offers itself to all parts of the production process. We deal in all types of Audio/Video Productions, 3D animations and media campaigns in highly professional environment. We don't only conceive and produce but also provide consultancy as media and Behavior Change Communication (BCC) Specialist. We specialize in Documentaries, Dramas, Music/Stage shows, Talk shows, TV commercials, Magazine Programmes and Dubbing in all regional and major international languages.
