What we are: FLASH Communications is ranked as one of the strategic planning and buying agency of Pakistan. We provide best-in-class business-building communications solutions for some of the biggest, most well-known advertisers of Pakistan. We help clients better understand and move their brands closer to consumers, and thus achieve a better return on their marketing investment than the competition. We put our best efforts to provide client approach to targeted areas through cable TV networks. We have a network which is speared over hundred cities in all over Pakistan to operate Cable TV advertisements of our respected clients. We are incorporated with Security and Exchange Corporation of Pakistan as a Private Limited Company, registered in General Sales Tax and Income Tax departments.
