We are introducing ourselves as one of the oldest and pioneers in launching and manufacturing water boosting systems in Pakistan and our gas water heaters are in the market of Pakistan since 1968. Over the years our business has grown at unexpected growth rate and our range of imported products are all over the Pakistani market especially capturing Karachi's market, which has biggest consumption rate in the whole country. Following are the list of products we are currently importing and companies we are dealing with respect to these products. - Water Heaters - Water Boosting System. - Stainless steel pumps - Multistage pumps and submersible pumps. - Oil industry pumps and fittings - Swimming pool Accessories - Sauna and Steam Rooms
