Phone: 212315560

5 Star Enterprises is working as an agent, providing services to produce all kind of apparels from Factories as per requirement of buyers. Also offers compatable price for the respective garments. Our quality controller team is capable enough to find quality problems during Inline inspection and rectify the same to avoid any disaster come forward when merchandises passing the final inspection. As we know very well that on time delivery won half competition between the retailers. Thats why we also take care to have shipment to our buyer as agreed with them. Other than above we want to say only that after giving us the order, your headace to have consignment inhoused will become ours. You can also contact at
