Shakoor and Company (SAC) is the most reliable logistic solution provider in Pakistan. Operating with a fleet of more than 250 vehicles we are the sole transporter of ICI Pakistan Ltd. and BP Pakistan. We are the transporter of choice for many national and multinational companies especially those working in energy sector because of our unique capability of handling dangerous goods. We are proud hauliers of Total Parco Ltd., Pakistan State Oil Ltd. Sitara Chemicals, Dynea Pakistan Limited and many other big companies in Pakistan. We specialized in the efficient and prompt transportation of all type of liquid transportation and now we are planning to diversify our services to dry cargo also. The company offers a complete service in logistic and support service in the following areas: ? Supply Chain Management ? Road Haulage ? Project Logistics
