SUBJECT. MANUFACTURING OF SPARE PARTS Respected Sir, We manufacture spare parts for Tractors, vehicles, and other machineries. The manufacture work of spare parts is carried out on automatic imported plants, entire to the world standard.

Professionally we are engineers, and very well know the type, quality and nature of the steel. We not only meet with the requirement of spare parts inland, but export the spare parts worldwide too. We do every thing ourselves, in our workshop. Mainly we deal with the spare parts of?FIAT, FORD, MASSEY, FERGUSON, BELARUS,

UNIVERSAL, HARVESTER, HINO, ISUZU, AUTO RIKSHA, TRALER, vehicles etc. and all kinds of tractor parts. (Munir and Brothers) Shahid Engineering Works Pasrur Road
