Specializing in High End Residential and Commercial interior design services, Tabi and Zeno is a professional interior design company and space planning firm recognized for innovation. Our expertise is in interior designing and we make sure that the design and implementation should be based on client's needs, tastes and budget. We believe that the success of design project is totally dependent on how well we have captured and transformed clients vision into a built reality. We encourage client's participation in every phase of the project. Each project receives personal attention from our experienced designers and interior decorators, enabling clients to achieve excellent value for money. We have recently opened our first outlet at ZAMZAM where we are displaying our Bridal and High End bedware collection of Exclusilk - the highest possible quality with extraordinary finish details.
