We at career information Network (CIN) continue to provide an efficient public service to individuals who aspire to pursue career overseas through higher studies and immigration. We are working hard in high quality service to ensure that our clients will have a promising, bright career that would help them in tackling the challenges of the high-speed progressing era. Currently, we achieved ISO 9001-2000 certification as the pioneer in the field of consulting industry in Pakistan. Let me assure dear students and ours clients that our goal remains to help your community and see you shining in your future career. Once again I wish to extend my sincere thanks to all those who continue to support us in our mission. Legal Status > Registered under section (1)of the partnership ACT,1932,by the name of Career Information Network. > Registered as a private ltd company.
