Twenty-Two Years back; we established our business as Manufacturer of Surgical instruments with a few manual tools. Gradually, we changed our manual machinery and tools with the latest electrical machines. Today we are better equipped with the latest and increased number of machinery, highly skilled work force, computerized designing, new, neat and clean factory building located on main Iqbal Town Defence Road in the suburbs of city of Sialkot. We're producing high quality and according to international standard Surgical, Dental, Manicure, Veterinary and Orthopedic instruments. In the Year 2000, we got registered ourselves with Government of Pakistan as exporters and started the supply of our Quality instruments to Foreign Buyers. Now we have our valued customers in USA, Europe, UK, Australia and South Africa who are satisfied with the quality of our merchandised. Our company is CE and GMP approved. We are also registered in other Pakistan Association.
